We can t be friends, you can t drop by  
**G**

**D**  
Can t tell him to tell you hi

**A C#m**  
You can t call, I can t pick up  
**G**

We can t meet for margaritas

**D**  
I can t wear that dress you love

**C**  
Cause you ll look at me  
**G/B**

Like I want you to

**F/A**  
Then we ll brush hands  
**G/B**

Like we accidentally always do

**A C#m**  
We ll stay too late, or laugh too hard  
**G**

Hug too long, and that ain t too far

**D Esus4 E**  
From wakin up where we ve always been

**A C#m**  
We can t be friends, we both know that  
**G**

You can t tell me you don t love her

**D**  
And I ve got no right to ask

**A C#m**  
So I ll pretend like I don t care  
**G**

I won t send a birthday card

**D**

And if you see me out somewhere

**C**

Don t look at me

**G/B**

Like I want you to

**F/A**

Cause we ll brush hands

**G/B**

Like we accidentally always do

**A**

**C#m**

We ll stay too late, laugh too hard

**G**

Hug too long, and that ain t too far

**D**

**Esus4 E**
