

**Start From Here**  
**Joanna Wang**

[Intro]

| C Em Am F G | C G Am F G |

[Verse 1]

C Em Am  
Giving up, why should I  
F G C  
I've come too far to forget  
Em Am  
We're beautiful, we just got lost  
F G Am  
Somewhere along the way  
G Dm Em F  
So much was missing when you went away

[Chorus]

G C G/B  
Let's start from here, lose the past  
Am F G C  
Change our minds, we don't need a finish line  
G Am  
Let's take this chance don't think too deep  
F G Eb  
Of all those promises we couldn't seem to keep  
Dm C  
I don't care where we go  
Fm C  
Let's start from here

[Verse 2]

C Em Am  
Standing here face to face  
F G C  
A finger on your lips  
Em Am  
Don't say a word don't make a sound  
F G Am  
Silence surrounds us now  
G Dm Em F  
Even when you were gone I felt you everywhere

[Chorus]

G C G/B  
Let's start from here, lose the past  
Am F G C  
Change our minds, we don't need a finish line  
G Am

Let s take this chance don t think too deep  
Of all those promises we couldnâ€™t seem to keep  
I don t care where we go  
Let s start from here  
Let s start from here

[Bridge]  
I ve never been the one to open up  
But you ve always been the voice within  
The only warmth from my cold heart

[Chorus]  
Let start from here, lose the past  
Change our minds, we donâ€™t need a finish line  
Let s take this chance don t think too deep  
Of all those promises  
Let start from here, lose the past  
Change our minds, we donâ€™t need a finish line  
Let s take this chance don t think too deep  
Of all those promises we couldnâ€™t seem to keep

[Outro]  
I don t care where we go  
Let s start from here  
Let s start from here  
Let s start from here  
Let s start from here  
Let s start from here
