Just Cos You Can Dont Mean You Should
Joe Bonamassa

[Intro]
Bm

[Verse 1]
Bm
Well, my job is now obsolete
Bm
Twenty five years and I m on the street
            G
They push a button and say I m a fan
       Bm
One last job on the factory line

[Chorus]
Bm
Just cause you can, don t mean you should
           Em   **A**
I took the very best and it was good
          D   **G**
I d give it all back if I could
F#
Just cause you can
N.C.
Just cause you can, don t mean you should

[Solo]
Bm

[Verse 2]
Bm
Oh, she was a face facing the crowd
Bm
Neon lights, the music was loud
      G
One mistake, my whole life changed
        Bm
How could I cause so much pain

[Chorus]
Bm
Just cause you can, don t mean you should
            Em   **A**
I took the very best and it was good
          D   **G**
I d give it all back if I could
F#
Just cause you can

```
N.C.                                          Bm
Just  cause you can, don t mean you should

D E Bm                                    D E Bm
      And everybody s got a tale to tell
                            D E Bm
Oh, so we ll see through
                          G
Dancing round in disregard
      F#                                      Bm
Every word of the truth, every word of a tune

[Solo]
Bm

[Verse 3]
Bm
Dropped a penny, said it was a dime
Bm
That s when one became ten lies
            G
Oh, it s a reason to kid yourself
            Bm
Into pretending you re so blessed

[Chorus]
Bm
Just  cause you can, don t mean you should
                Em                    A
I took the very best and it was good
                D          G
I d give it all back if I could
F#
Just  cause you can, oh, oh
                Bm
Just  cause you can, don t mean you should
                  Em                    A
I ve taken the very best and it was good
                D          G
I d give it all back if I could
F#
Just  cause you can, just  cause you can

Just  cause you can, baby
N.C.                                      Bm
Just  cause you can, don t mean you should

Oh, I wanna give it all back
```
