[Verse]

D	G
You drive West on 80 and it wonâ€™t take too long,	
C	B/G
â€™Til the road starts climbing up to mountain time.	
D	G
Thereâ€™s a girl I know there, she lives free and easy,	
C	B/G
And she shows me wonders and she takes my mind.	

[Chorus]

D	
And sheâ€™s wild as eagles,	
G	
Sheâ€™s as sweet as honeysuckle,	
C	B/G
Her lifeâ€™s flowing like a mountain stream.	
D	
And she takes me somewhere,	
G	
And itâ€™s good to be there,	
C	B/G
And she pulls me into her, bright golden wing.
