[Intro]

[Verse 1]

She leaves just silence in her path  
Short goodbyes and photographs  
I took them with me on a plane from Appledorn to LA  
This broken heart it doesnt hurt  
I still wear these memories on my shirt  
From five days of summer in the rain

[Pre-Chorus]

Now Im falling towards the ground  
Its coming at me way too fast  
You dont learn to fly  
If youre not prepared to crash

[Chorus]

Shes the sunlight in my eyes  
Shes a bittersweet goodbye  
And I just cant tell you why  
I let her break my heart again  
Those five days of summer in the rain

In the rain

[Verse 2]

Ten hours is too much time to think  
I wrote a song Id never sing  
About a queen who lost her crown  
About a boy who almost drowned  
These angels city lights are mine  
I wont forget to leave behind  
These five days of summer in the rain

[Pre-Chorus]

Now Im falling towards the ground  
Its coming at me way too fast  
You dont learn to fly  
If youre not prepared to crash

[Chorus]

Shes the sunlight in my eyes  
Shes a bittersweet goodbye  
And I just cant tell you why  
I let her break my heart again  
Those five days of summer in the rain

In the rain  
Those five days of summer in the rain  
In the rain  
Those five days of summer

[Bridge]

[in the rain]  
Cause when it rains it sure does pour in Appledorn  
[rain]  
She took the waves, She showed me life, She showed me love, I had it all  
[rain]  
And all the time shes not around I want her  
And Oh  
Shes so beautiful

[Chrous]

Shes the sunlight in my eyes  
Shes a bittersweet goodbye  
And I just cant tell you why  
I let her break my heart again  
Those five days of summer in the rain

In the rain  
Those five days of summer in the rain  
In the rain  
Those five days of summer in the rain
