

I Find The Light In You

Joe Brooks

Standard Tuning

CAPO ON 1ST FRET!!

A
I donâ€™t think thereâ€™s a word I ve ever heard
D
That captures the innocence of you
A D
And I wouldnâ€™t want one too
A D
And no, I wouldnâ€™t want one too
Bm
Itâ€™d be like smothering a star

Or covering a work of art
E
Driving so fast that the view falls apart
Bm
Like I do
E
Without you.

Chorus.

D A
But I m on my way home
D A
And I m worn to the bone
D F#m
And when my heart hits an all time low.
G
Thereâ€™s something shining through
A D
I find the light in you
A D
I find the light in you.

A
I donâ€™t think thereâ€™s a sun thatâ€™s ever shone
D
Brighter than the radius of you
A D
And I wouldnâ€™t want one too
A D

No, I wouldn't want one too

Bm

It would be a far for ever tamed

A burn without the pain

E

A heat that never warms the things

Bm

Like you do.

E

Like you do.

D A

But im on my way home

D A

And I m worn to the bone

D F#m

And when my heart hits an all time low.

G

There's something shining through

A D

I find the light in you

C

Take my hand and we can beat

Bm

This glimmer of a dream

A

Out from the corner

Oooooo

C

Please your fingers it's a mind

Bm

And we can find a world

D

If we believe it we can breathe it

A D A D

Breathe it into life. yeah

D A

And im on my way home

D A

I m worn to the bone

D F#m

And my heart hits and all time low

G

There's something shining through

D A

But im on my way home

D **A**

And im worn to the bone

D **F#m**

And when my hearts hits an all time low

G

Thereâ€™s something shining through

A **D**

I find the light in you. (x8)
