Intro: **G Dsus4/F# Em7 Dsus4/F#**
(Really easy song, just play along with the song at first to get it)
Verse 1: **G Dsus4/F# Em7 Dsus4/F#**
Take a breath
I close my eyes
I am lost but try to find
What it is in this life
That gives me strength enough to fight
For something more

Pre Chorus: **Em7 Dsus4/F#**
Well God knows my feet are aching
And I ve got mountains I have to climb

Chorus: **G Dsus4/F# Em7 Dsus4/F#**
One way at a time
I will try
To let these broken hands of mine
Give me strength
Be my light
One way at a time
These walls will fall
And fill our empty souls
Give me strength
Help me guide
And these broken hands of mine

Verse 2: **G Dsus4/F# Em7 Dsus4/F#**
The sky is gray
It clouds your world
Clear the air
Just break the norm
Find a place
In your heart
Build a shelter
From this cold and winding road

Pre Chorus: **Em7 Dsus4/F#**

Well God knows your barely standing
But you ve got to carry this heavy load

Chorus 2:

One way at a time
I will try
To let these broken hands of mine
Give me strength
Be my light
One way at a time
The peace will grow
And fill our empty souls
Give me strength
Help me guide
These broken hands of mine
These broken hands of mine
