

Have A Little Faith In Me Solo
Joe Cocker

```
*****  
*                                                                 *  
*tabbed by palo                                               *  
*                                                                 *  
*                                                                 *  
*****
```

Notes:

/ - slide up

you have to work out the duration of the notes. the spaces between them don t indicate how long you should play them.

I m not sure about the ending but it sounds ok ;)
