Intro: Cm Gm Gm7 Gm Fm Bb Cm/F - Dm/G - Cm/F Gm Cm

Verse:

A heart full of rain and memories  
I m feeling the strain and missing you so desperately  
I need the shelter of your arms tonight oh baby,  
I need you by my side

Verse:

I don t know why things go the way they do  
They just keep taking me down  
I can t deny I m so into you

I could let go of the pain  
But tonight I ve got a heart full of rain
