

Night Calls

Joe Cocker

Bbm **G#**
The night gang started working
F# **Fsus**
Laid a mile of solid road
Ebm **C#**
As I watched, I got to thinking
Fsus **Bbm**
You ain t never coming home.
G#
I looked out into nowhere
F# **Fsus**
There was nobody at all
Ebm **C#**
To get me help, to get me to you
Fsus **Bbm**
I m here making night calls.

CHORUS

Bb **Dm** **Eb** **C#** **F**
Night calls, making night calls
Bb **Dm** **Eb** **C#** **F**
Night calls, making night calls.

Bb **G#** **Bb**
I have, I have tried so hard to reach you
G# **Bb**
But you must be moving fast
Eb **C#**
All my hopes about the future
C **F**
They ll just move on into the past.
Bbm **G#**
You know it just ain t easy
F# **Fsus**
As the twilight starts to fade
Ebm **C#**
Sitting here on a chair I m wondering
Fsus **Bbm**
Thinking of the plans we made.
