Joe Cocker - Unforgiven
Intro: |G#m |F# |E |E F#
                  F#
   I dont wanna be here, I dont wanna be here at all
          F#
   Stuck in my head, trapped inside these walls
             В
   So much regret, so much pain
   Im drowning slowly in the mess that Ive made
G#m
                  F#
   I dont wanna be here, I dont wanna be here at all
                   G#m
          B/Bb
                              F#
   Can I let it go or will it haunt my soul?
        How did I get this way? God, I feel so afraid. Will I
     |B |B/Bb |G#m |F#
   be a better man, when I learn to understand?
         |E |E |G#m |F# |E |E F#
   I cant keep on living unforgiven
G#m
                   F#
                                       E EF#
   Didnt wanna hurt you, didnt wanna hurt you at all
                      |E |E F#
G#m
               F#
   Took you so high, just to let you fall
              |B
      G#m
   Can I pick up the pieces of our life?
                   E
   Start it over give me one more try
                   F#
G#m
   Didnt wanna hurt you, didnt wanna hurt you at all
      B B/Bb
                      G#m
   Can I let it go or will it haunt my soul?
         How did I get this way? God, I feel so afraid. Will I
                      G#m
    B B/Bb
   be a better man, when I learn to understand?
```
