[Intro]

**D G D G**

[Verse]

**D** Who knows what tomorrow brings **G** **Gm**  
**D D7** In a world, few hearts survive **G**

**D** All I know is the way I feel **G** **Gm**  
**D**

When it s real  
**D7 G**  
I keep it alive

**Em A7**  
The road is long

**D D7 G**  
There are mountains in your way  
**C Em A7 G A7**  
But we climb a step every day

[Chorus]

**D D7 G**  
Love lift us up where we belong  
**Em G7**

Where the eagles cry  
**C G A7**

On a mountain high  
**D D7 G**

Love lift us up where we belong  
**Em G**

Far from the world

**F# Bm A7 D G D**  
We know, up where the clear wind blow
