When a woman cries  
When a woman cries  
She can tear your world apart  
When stars fill her eyes  
When stars fill her eyes  
It can break a poor man's soul  
And if you find that you are crying too  
Don't let it come as no surprise  
Just hold her close and love her  
When your woman cries

When the woman cries  
When the woman cries  
She can tear your world apart  
When stars fill her eyes  
When stars fill her eyes  
It can break a poor man's heart
