

You Can Leave Your Hat On

Version...: 4th October 2006

Comment...: While searching for this song on the web, I found some real crap and some medium crap, but nothing really satisfying, so here is my premium interpretation of this song. Nevertheless I thought about tranposing this song into E-Minor for a possible Metal-Version of this cool song, but for now the original way should be quite enough. :-)

Use chord-variations on your own.

Song Key...: C-Minor
