

You Love Me Back
Joe Cocker

Intro: **F#** **Bbm** **C#** **G#**

Verse:

F# **Bbm**
We re gasoline and fire
C# **G#**
A blessing and a curse
F# **Bbm**
If you wrote us down on paper
C# **G#**
You d swear we d never work
Ebm
Swear we d never work
F#
You re nothing like a dream
C# **G#**
and everything I need

F#
In a crazy world
Bbm
Coming all apart
C# **G#**
You re my cover, you re my lover, you re my purple heart
F# **Bbm**
When there s no one left telling me the truth
C# **G#**
And I feel there s nothing real there to hold on to
Ebm
When I m way off track
F#
When I hurt like that
C#
You love me back

Verse:

F# **Bbm**
Like a magical oasis
C# **G#**
I could drink until I drowned

F# Bbm
You re the answer to a question
C# G#
when no answers can be found
Ebm
You turn it all around
F#
You take away my shame
C# G#
And help me through the pain

F#
In a crazy world
Bbm
Coming all apart
C# G#
You re my cover, you re my lover, you re my purple heart
F# Bbm
When there s no one left telling me the truth
C# G#
And I feel there s nothing real there to hold on to
Ebm
When I m way off track
F#
When I hurt like that
C#
You love me back

Bridge:

G#
You make it all make sense (you make it all make sense)
Bbm
You take this man
F#
When I don t think I can
G#
Make me all right again (all right again)

F#
In a crazy world
Bbm
Coming all apart
C# G#

You re my cover, you re my lover, you re my purple heart

F#

Bbm

When there s no one left telling me the truth

C#

G#

And I feel there s nothing real there to hold on to
