Greg

Here s a Joe Diffie tune-not sure about the first part  
of the chorus-any corrections welcome.

Joe Diffie John Deere Green

**G**

They were farm kids way down in Dixie

**C**

**G**

They met in high school in the sixties

**D7**

Everyone knew it was love from the start

One July in the midnight hour

He climbed upon the water tower

**D7**

**C**

**D**

Stood on the rail and painted a ten foot heart

chorus

**Em**

**C**

In John Deere Green

**G**

**C**

On a hot summer night

**Em**

**C**

He wrote Billy Bob loves Charlene

**G**

**C**

In letters three foot high

**Em**

And the whole town said

**D**

that he should had used red

**G**

**C**

But it looked good to Charlene

**G            D            G**  
in John Deere Green

They settled down on eighty acres  
Raising sweet corn, kids and tomatoes  
They went together like a hand and a glove  
On a clear day from their front yard  
He you look and know what to look for  
Off to the east you can still read his words of love

chorus
