

Cerubellum
Joe Green

Joe Green: Cerubellum

This is a fairly hard song, from one of the most underestimated players in the biz, so I'll just give you the chords!

Intro:

G#9 //D5|F//G#9| rpt

Verse:

All on

|**Bdim**///|

Chorus:

F///|G#9///|D5///|Bdim Gdim Bdim Gdim|

Solo1:

Gdim///|

Solo2:

F///|Gdim///|F///|D5///|

Outro:

F///|Gdim///|G#9/D5 F/| A5///|

I am told the song is in Bb, which wouldn't make sense, but I suppose it could be right

I don't know the lyrics, but the chorus is

Watty Rita Campell

So many bars bars so little time

If I had a shotgun

their lives would be mine

(I think this changes a bit!!!)

If anyone has the tab for this, post it here please!

Peace & Love,

geoffrey sideburn!!!
