Just feel that three s a crowd

I agree with what you say  
But I don t wanna wear a badge  
And I don t wanna wave a banner like you

Though I don t mind it if you do  
You re beautiful when you get mad  
Or is that a sexist observation

Or one to one  
What s wrong  
What s wrong with one to one  
Just once  
Just me and you  
Coz one to one is real and you can t hide  
Just feel that three s a crowd

One to one  
One to one  
Cause three s a crowd
