C

E

G
I think I ve finally found a better place to start
D
But no one ever seems to understand

C
I need to try to get to where you are
E
Could it be, your not that far

C
You re the voice I hear inside my head,
E
the reason that I m singing
G
I need to find you
D
I gotta find you
C
You re the missing piece I need,
E
the song inside of me
G
I need to find you
D
I gotta find you

Oh yeah
Yeah yeah

You re the remedy I m searching hard to find
To fix the puzzle that I see inside
Painting all my dreams the color of your smile
When I find you it will be alright
I need to try to get to where you are
Could it be, your not that far

You re the voice I hear inside my head, the reason that I m singing

I need to find you
I gotta find you
You re the missing piece I need, the song inside of me
I need to find you
I gotta find you

Been feeling lost, can t find the words to say
Spending all my time stuck in yesterday
Where you are is where I want to be
Oh next to you... and you next to me
Oh I need to find you... yeah

You re the voice I hear inside my head, the reason that I m singing
I need to find you
I gotta find you (yeah)
You re the missing piece I need, the song inside of me
I need to find you
I gotta find you

You re the voice I hear inside my head, the reason that I m singing
I need to find you (I need to find you)
I gotta find you (I gotta find you)
You re the missing piece I need, the song inside of me
I need to find you
I gotta find you

Yeah Yeah!
I gotta find you
