

Victims Of Love
Joe Lamont

[Verse]

C G
Our hearts have been to battle
Am G
Our souls have been to war
Dm Am Dm G
We've lost the will to carry on, we don't believe no more
C G
Oh why is it that we got it set
Am C
That this could never happen to us
Dm G
How could it be, cause baby here we are

[Refrain]

C G Am G
Victims of love are broken down unfair
Am C
So sad to see the debris
Dm G
Scattered everywhere
C G Am G
Victims of love, still cannot believe
Am C
We're the victims of love
G C
We cannot retreat

[Verse]

C G Am G
It used to be so easy; it used to be so good
Dm Am Dm G
We had an understanding that got misunderstood
C G Am C
I thought we are survivors and we'll never will go down
Dm G
But now we're just outsiders as our love comes stumbling down

[Refrain]

C G Am G

Victims of love are broken down unfair

Am

C

So sad to see the debris

Dm

We cannot retreat

[Bridge]

Am

G

Maybe we played it a little bit to sure

Dm

Am

And everything is hearts and roses

G

Now fate stand still and closed the door

Bb

And we were just left standing

F

Till we realized the ending

G

Why so near ...

Am

Where do we go from here ...

[Refrain]
