**Em** **D** **Em** **D** **Em**  
Love you, want you, I never see you no more,...

Burnt this cross now I hang it over your door,  
Need you, miss you, I never see you no more,...

House of Love, I don't live there no more,...

**C** **D**  
ahhhhhhhhhhhhhhhhh

You stand by my side and pretend your in love with me,  
You laugh at my songs and then say that I was out of key,  
Then you saw a doctor and he said your problem was me,  
He said Im too boring, just to ordinary

**C** **D**  
Well, you say that your leaving, well theres the door,  
**C** **B**  
You say you just can't take it anymore,..

**Em** **D** **Em** **D**  
You leave me Dying young grey, thats your way,  
You just cant take it for a another day,  
You leave me Dying young grey, thats your way,

**C**  
You know I still love you anyway , yeah yeah (Guitar Riff),  
**B** **Em D** **Em D** **Em D Em**  
Dying young grey hey, hey, hey, hey

(GUITAR SOLO)

(Bridge)

**Bm** **Em**  
You say you just can't look at me that way,  
**Bm** **Em**  
Well, theres just something about these games you play,...

**Em**

Well If I can t figure out the score than it will stop right here.....yeahh,  
yeah yeah,....

Chorus

Adlib.....(C D **Em** D).

Now it will stop right there.....yeah, yeah, yeah....
