Chords

C **G**
Lying in bed
Am **G**
Listenin to the wind blow
C **G**
Clearin my head
Am **G**
Of Everything inside
C **G**
Watchin the clock
Am **G**
As you come into my mind
C **G**
Driftin away
Am **G** **C** (strum once)
To where I...want to be

C **G**
The dawn begins the day
Am **G**
Your face fades into sunlight
C **G**
As I find out once again
Am **G**
That you re not really here
C **G**
I m hopin today
Am **G**
That fate will send a postcard
C **G**
Reminding me that
F **G**
Love is not too far away

Chorus:

C **G**
Face to face
F **G**
Is where I need you now
C **G**
In a place

F G
 Besides my dreams
C G
 Frustrating
F G
 While I m waiting for you
C G F
 Daylight chases you away
G C G(strum 3 times down)
 I d trade each night for just one day
 no chord
 Face to Face
C G F G C G F G
 Face to face

C G
 Trying to recreate
Am G
 The steps I took to find you
C G
 Down that darkened path
Am G
 To the center of my mind
C G
 Livin in a world
Am G
 Of Black and white surroundings
C G
 Waiting to wake
F G
 In the color that is you

 Bridge:
 F (2 fast strums then hold)
 To Breathe you
 G (2 fast strums then hold)
 To hold you
C G
 Knowing I won t wake
 F (2 fast strums then hold)
 I ll find you
 G (2 fast strums then hold)
 Stand beside you
F G
 If only for my sake

C G
 Face to face
F G
 Is where I need you now
