Em C Em C

Verse 1:

Em

The fantasy s fading

C

I m starting to see beyond the haze

Em

Where I was left wandering

C

And takin for granted everyday

Em

the sun is now shining

C

Showin me where the path will lay

Em

Where the real world is waiting

C

Its waiting to show me all the ways

Pre-Chorus:

G D C D G

that I don t have to fall asleep to find

G D C D G

A place that I don t wanna leave behind

C

And I know

Chrous:

G D Cadd9

You will still come to me

G D Cadd9

You exist without the dream

G D C D

That I m not chasin make believe

G D C D

That love s got nothing up its sleeves

G D C D

Cause I m finally awake...

Em C Em C

But still dreamin

Verse 2:

Em

The daylight is lasting

C

A little bit more now everyday

Em

As I spend it asking

C

As if I could find no other way

Em

Will the ocean I'm seeing

C

Keep trying to drown me with its waves

Em

Am I only freeing

C

The good thoughts that everybody saves
