Brokenheartsville
Joe Nichols

[Intro]
G B Em C G D D(one strum)

[Verse 1]

G   **D**   **Em**
He wore that cowboy hat to cover up his horns
G   **D**   **Em**
Sweet talking forked tongue had a tempting charm
C   **D**   **Em**
Before I turned around that girl was gone
C   **D**   **G**
All I can say is bartender pour me something strong

[Chorus]

D   **Em**
Heres to the past they can kiss my glass
     C   **G**
I hope she s happy with him
D   **Em**
Here s to the girl who wrecked my world
        C   **D**
that angel who did me in
G   **B**
I think the devil drives a Coupe de Ville
Em   **C**
I watched him drive away over the hill
        G   **D**
Not against her will I ve got time to kill
C   **D**   **G**
Down in Brokenheartsville

[Instrumental]

G B Em C G D D(one strum)

[Verse 2]

G   **D**   **Em**
It was long and chrome sitting in the lot
G   **D**   **Em**
Fire engine red that thing was hot
C   **D**   **Em**

```
He revved it up she waved goodbye
C               D               G
Love s gone to hell and so have I

[Chorus] x2
```
