

Call It What You Will

Joe Pug

Fleshed out with fills and hammer-ons, but I think these are the basic chords:

Capo 4

C

Silver cans and bronze colored dirt

F

Silver cans and bronze colored dirt

Am

Things end so soon near the parking lot moon

F

G C

Silver cans and bronze colored dirt

C

She said let s call it quits

F

Let s not call it the end of the world

G

Call it what you will

I m heartbroken still

C

Words are just words

C

Road salt on I-95

F

Road salt on I-95

Am

G

Forget what your told, it s bound to get cold

F

C

There s road salt on I-95

C

I call today a disaster

F

She calls it December the 3rd

G

Call it what you will

I m heartbroken still

C

Words are just words

C

On a brief and star stricken night

F

On a brief and star stricken night

Am

F

I called her name on the road from Spokane

G

C

On a brief and star stricken night

C

I hear a blue heron crying

F

Some folks just call it a bird

G

Call it what you will

I m heartbroken still

C

Words are just words

C

Some call an end a beginning

F

For right now they ll go unheard

G

Call it what you will

I m heartbroken still

C

Words are just words
