California Girl Joe Purdy From the Sessions at Motor Ave. album. Standard tuning: This uses a capo on the 5th fret, but I like to play it without one, so I ll give you the chords for playing it normally too, but I ve written it with the chords played using a capo. Chords used, relative to capo: **G** - 320033 (**C** - X32010) **C** - X32010 (**F** - 133211) G/F# - 200033 (C/B -X20010) **Em** - 022000 (**Am** - X02210) **D** - XX0232 (G - 320033)D/F# - 200320 (Use G -320033 for this too) Intro: G Verse: С G She s walking away С G She s making a stand С G She s moving to a new life C G She s moving with a new man С G But I got news for her С D The kind that I can t say С G G/F# C Cause I came to my senses, just a little too late Em D/F# С So I watched her drive away

G D

And I waved goodbye

EmD/F#CAnd as her tail lights fade

G D/F# C Into the night sky

Chorus:

GG/F# CSay hey,don t you leave me in LA alone

 $G \ G/F\# \ C$ $$G/F\# \ C$$ Lover please, turn that car around and come back home

GG/F# CGG/F# CNew York, such a beautiful city I m sure

 $\begin{array}{ccc} G & G/F\# \ C & G \\ \\ \mbox{Its just too far from my California girl.} \end{array}$

And then back to the verse. Beautiful song, enjoy. Comments are welcome.
