words

```
F           C           G           C
i know a girl in meteor city
F           C           G
we used to drive down old crator road
F,           C           G           C
and i would hold her hand and she would look pretty
```

F C G C  
didn t worry about the things that we just didn t know  
C C G C  
didn t worry about the things that we just didn t know

F C G C  
i d spend my days in this run down cafe  
F C G C  
working for a room at the top of the stairs  
F C G C  
and she would work the con man just to be here longer  
F C G C  
it s the only thing that kept me there  
F C  
I couldn t wait for the cooler night  
F C  
I couldn t wait for the cooler night

C  
F C G C  
i know a girl in meteor city  
F C G  
we used to drive down old crator road  
F, C G C  
and i would hold her hand and she would look pretty  
F C G C  
didn t worry about the things that we just didn t know  
F C G C  
didn t worry about the things that we just didn t know

F C G C  
and i said oh sophia where d you get a name like that  
F C G C  
living in this dark old town  
F C F  
C  
shes i think she was a move star before i saw before i was born  
F C G  
though but i really don t remeber no no  
C F  
she left when i was so young  
C  
when i was so young

C  
F C G C  
i know a girl in meteor city  
F C G  
we used to drive down old crator road

**F,**                                   **C**                   **G**                                   **C**

musical bit

**C A G C D F G F C G F C F G**

**F**                                   **C**                                   **G**                                   **C**  
 at night the stars they all jump through the sky  
**F**                                   **C**                                   **G**                                   **C**  
 with the dreams that i miss so much  
**F**                                   **C**                                   **G**                                   **C**  
 and i hate the emptyness and the pain inside  
**F**                                   **C**                                   **G**                                   **C**  
 a little whisky and a womans touch  
**F**                                   **C**  
 yeah thats good a enough  
**F**                                   **C**  
 yeah thats good enough

**C**

**F**                   **C**                   **G**                   **C**  
 i know a girl in meteor city  
**F**                   **C**                   **G**  
 we used to drive down old crator road
