```

```
we missed the magpie so we took a long drive could not get far enough away tracked through the deep snow and turned up the radio and toasted outside santa fe
```

CHORUS

```
won t you take me

through the mountains

towards the oregon line.

say goodbye to Colorado

fare the well good friend of mine

( Repeat intro )
```

VERSE 3

woke up in Idaho and it was twenty three below

we walked out as far as we could stand

I watched you in your black coat as you photographed the hills a rollin

count to three and when we ran
