Is not life a mirror maze

The hardware store is never open Until the quarter of the moon Let s leave town before the rodeo Rides in with the typhoon

We re in Bummed Out City
So come on, let s operate
Let s open a disc brake parlor
No, it never is too late
Before you know it you ll be in Bummed Out City
In a cloud of dust and rust
And all the dogs biting on your exhaust pipe
Even they gonna show you trust

And it was me, drove off the off ramp Of the sweetheart highway It was me, I admit I had the map This is what I gotta say We re in Bummed Out City
That s what the sign says
I plead your mercy and your pity
Is not life a mirror maze
