VERSE

Emj **B**  
I was crawling through a festival way out west  
I was thinking about love and the acid test  
At first I got real dizzy with a real rocking gang  
Emj Amj  
Then I saw the coma girl and the excitement gang  
**B**(ska style) Amj  
And the rain came in from the nide blue yonder  
And throught all the stages I wandered..  
**E** **A**  
Oh coma girl on the excitement gang  
**E** **A** **B**  
Mona Lisa on a motorcycle gang

The whole thing is repeated
