

**Before You Leave**  
**Joel Plaskett**

Before you Leave - Joel Plaskett  
from Thrush Hermit s Clayton Park album

**C**

The light above the street

**G**

I can see you perfectly

**C**

Who needs the moon above?

**G**

To see that you don t need my love

**F**

You don t need my love

**C**

**C**

If you find some one else

**G**

Please keep it to yourself

**C**

And never let me know

**G**

hat you ever let me go

**F**

You ever let me go

**C**

chorus:

**G**

There s fire in the trees

**F - C**

And rain upon the roof

**G**

It looks like we won t freeze

**F - C**

Just close the chimney flue

**G**

And do what you gotta do

**F - C**

Before you leave (x3)

verse:

The band struck up and played

I know our love not fade

Away and into dust  
But if it must, it must  
If it must, it must

And we all die alone  
At war or on the phone  
Or both at the same time  
Sending volleys thru the lines  
Volleys thru the lines

Repeat Chorus.
