

Cold Blue Light
Joel Plaskett

Intro: **Am, F, C, G, F, C, G.** x3

F **C**
I awoke on the couch
Am **G**
With the cold blue light upon me
F **C**
All alone in this house
Am **G**
Awaiting your return
F **C**
I can still smell your perfume
Am **G**
And I kinda like it now

Intro: **Am, F, C, G, F, C, G.** x1

F **C**
There was little left unsaid
Am **G**
And you gave me your best wishes
F **C**
Now I ve got an empty and unmade bed
Am **G**
And a house full of dirty dishes

Dm
When I m sleeping, this world disappears
F
When I am with you, there s nothing to fear
Dm **F**
But when I m without you, I live in the shadows and space
E
To take me away from this place

Intro: **A, F, C, G, F, C, G.** x3

F **C**
I pull off the covers, I rolled up the blinds
Am **G**

I sat at the table, And stared out the window

I can still smell your perfume, And I kinda like it now
