

Demons

Joel Plaskett

I m a keys player by trade, not a guitar player. I do like to dabble though, and I think
is fairly accurate, although I know there are a few things that I couldn t pick up, but
its a cover, make it your own.

I used Joel s myspace. The CD has not been released yet. Great song. I found the lyrics
his website.

My dark places no one goes
Lipstick traces on my clothes
All commanding higher power

All these ghosts are haunting me
Hiding in my family tree
Help me father, help me mother

Somebody come and save me, Iâ€™m sinking like a stone

I donâ€™t want to be alone

G Em E7
Somebody strip my soul of all this peeling paint

G
I donâ€™t feel forgiven

D Dm

In the space between our hearts
I got lost and you got smart
Hoping you would come and save me
