

Fashionable People

Joel Plaskett

Great song by Joel Plaskett, no one bothered to post tabs for this so I shall. Played it acoustic once and its possible although in a video on youtube even he says that should never be done.

Strum pattern should come from the song as its way to random to add in a tab. I only

3 notes for the D# and C# but still strum all the strings. In other words don't play a

C barre chord, cut the highest finger position.

Intro:

G# - C# - D#

Verse 1:

G# **C#**

I feel foolish, I wanna drink too much

D#

You look Polish

D# - E - F

Got a wicked sense of humor

F - E - D#

I really like you, and I hope you like my band.
I like your boyfriend too,
Do you think he understands
I can't remember, how he ended up out here.
But all good things have got to start somewhere.

Leave him in the ditch, and you can hitch a ride for free
