Met you by the third floor window

**D**

I was acting like a high school flirt

You were putting on my make up

**D**

I was looking down your shirt

You told me that you had a boyfriend

Didnâ€™t stop from thinking thoughts

Listening to the French Inhaling

Connecting all the pretty dots

**C**

Wondering where the hell you came from

**Em C**

Dancing on the hardwood floors

**G D C G**

(Oh) I m yours

Striking up a love long distance

Striking up a killer band

Never thinking about my own existence

Never questioning the love I had

Trying hard to pull you closer

Trying to turn the east to west

Hanging from the clouds, hanging from the ceiling

Buttoning a corduroy vest

Wondering where the hell you came from

Stepping through your parlour doors

(Oh) I m yours
