

Work Out Fine
Joel Plaskett

Joel Plaskett - Work Out Fine
Tabbed by - Jon Fraser

The first verse and a half of this is purely bass guitar
but it works the same on a 6 stringer.

Just use power chords and figure out the struming patterns.

They split town with the fork and the spoon
They all split town and they left me
Sittin with a bottle of wine
Gonna pop the cork, say my goodbyes
