Plague generation (our last one)

C
Maybe I can piece together

Asus2
five cold days in late December.

D
Stories of a monster swallowed

Bm
in a snow covered Lake Tahoe.

C Asus2
Shining in her desperate despair,

D
Alison was there.

Bm C# D E C
A moment I can freeze but she can t

Asus2
be the same person she used to be.

D Bm C
Alison is gone. Alison is gone. (Alison is gone)
