

**Non Sequitur**  
**Joey Cape**

Don t know if everything is right but it sounds good to me.

Play this Chords: G: 320033

Amadd9: x 20210

-----

**Am**                    **G**                    **D**  
I can see your face move when you speak  
**Am**                    **G**                    **D**                    **E**  
Focus on the space between your teeth, oh no  
**Am**                    **G**                    **D**  
Every word is unaccountable  
**Am**                    **G**                    **D**                    **E**  
Everyone seems faultless before they say anything

**F**  
I m the dark side of your mirror  
**G**  
The downside that s screaming here  
          **D C Em Am**  
And we now are setting suns  
**D C Em Am**  
We now are damage  
**D C Em Am**  
We now are setting suns  
**D C Em Am**  
We now are damage

**Am G C E**

**Am**                    **G**                    **D**  
I can hear the words as they come out  
**Am**                    **G**                    **D**                    **E**  
I should wire my jaw shut to be agreeable  
**Am**                    **G**                    **D**  
No one else is conscious of the clear honorable flaws  
**Am**                    **G**                    **D**                    **E**  
I m a negative endless sentence non sequitur with claws

**F**  
I m the dark side of your mirror  
**G**  
I m alone now shuttering as  
**D C Em Am**  
We now are setting suns  
**D C Em Am**

We now are damage

**D C Em Am**

We now are setting suns

**D C Em F**

We now are damage

**F G**

Damage

**Am Amadd9 C Fm D Am Amadd9 C Fm Am Amadd9 C Fm D Am Amadd9 C Fm Em**

**F**

I m the downer in your pill

**G**

I m the low note in your ears and

**D C Em Am**

We now are empty glass

**D C Em Am**

We know how long it lasts

**D C Em Am**

We now are setting suns

**D C Em F G Am**

We now are damage
