Non Sequitur Joey Cape

We now are setting suns

D C Em Am

Don t know if everything is right but it sounds good to me. Play this Chords: G: 320033 Amadd9: x 20210 G Am I can see your face move when you speak G Focus on the space between your teeth, oh no G Every word is unaccountable G Everyone seems faultless before they say anything I m the dark side of your mirror The downside that s screaming here D C Em And we now are setting suns D C Em We now are damage D C Em We now are setting suns D C Em We now are damage Am G C E G I can hear the words as they come out G I should wire my jaw shut to be agreeable G No one else is conscious of the clear honorable flaws I m a negative endless sentence non sequitur with claws I m the dark side of your mirror I m alone now shuttering as D C Em Am

```
D C
     Em
              Am
We now are setting suns
D C Em
We now are damage
F G
Damage
Am Amadd9 C Fm D Am Amadd9 C Fm Am Amadd9 C Fm D Am Amadd9 C Fm Em
I m the downer in your pill
I {\tt m} the low note in your ears and
D C Em
            Am
We now are empty glass
D C
     Em
We know how long it lasts
     Em
We now are setting suns
D C Em F G Am
We now are damage
______
```

We now are damage
