

**Non Sequitur**  
**Joey Cape**

Don t know if everything is right but it sounds good to me.

Play this Chords: G: 320033  
Amadd9: x 20210

-----  
**Bm**                    **A**                    **E**  
I can see your face move when you speak  
**Bm**                    **A**                    **E**                    **F#**  
Focus on the space between your teeth, oh no  
**Bm**                    **A**                    **E**  
Every word is unaccountable  
**Bm**                    **A**                    **E**                    **F#**  
Everyone seems faultless before they say anything

**G**  
I m the dark side of your mirror  
**A**  
The downside that s screaming here  
**E D F#m Bm**  
And we now are setting suns  
**E D F#m Bm**  
We now are damage  
**E D F#m Bm**  
We now are setting suns  
**E D F#m Bm**  
We now are damage

**Bm A D F#**

**Bm**                    **A**                    **E**  
I can hear the words as they come out  
**Bm**                    **A**                    **E**                    **F#**  
I should wire my jaw shut to be agreeable  
**Bm**                    **A**                    **E**  
No one else is conscious of the clear honorable flaws  
**Bm**                    **A**                    **E**                    **F#**  
I m a negative endless sentence non sequitur with claws

**G**  
I m the dark side of your mirror  
**A**  
I m alone now shuttering as  
**E D F#m Bm**  
We now are setting suns  
**E D F#m Bm**

We now are damage

**E D F#m Bm**

We now are setting suns

**E D F#m G**

We now are damage

**G A**

Damage

**Bm Amadd9 D Gm E Bm Amadd9 D Gm Bm Amadd9 D Gm E Bm Amadd9 D Gm F#m**

**G**

I m the downer in your pill

**A**

I m the low note in your ears and

**E D F#m Bm**

We now are empty glass

**E D F#m Bm**

We know how long it lasts

**E D F#m Bm**

We now are setting suns

**E D F#m G A Bm**

We now are damage
