

## Competitive Streak

Joey Dosik

Written by Joey Dosik, from the Game Winner EP, released 2016.

This version is as close to the recording as I could get it. Below are the voicings I used for some of the chords that I didn't think were obvious:

C7b9 - X3232X

Bbmaj7 - 6X776X

Ebsus4 - X6889X

[Intro]

**Bb A/F Gm** x2

[Verse 1]

**Bb A/F Gm**

Couldn't possibly blame me

**F C/E Dm7**

More than I blame myself

**Dbmaj7 Cm7 Bbm7**

I always thought I would shoot us out

**F C/E Dm7**

Of any mess we got in

**Bb A/F Gm**

And I should have kept my mouth shut

**F C/E Dm7**

I could have been the grown-up

**Dbmaj7 Cm7 Bbm7**

Surprised to see you had cut your hair

**Bb A/F Gm C7b9 F**

And then I really lost all of my composure out there

[Chorus]

**F Fmaj7**

Cause my competitive streak runs deep

**Bb A/F G7 C7b9 F**

32, 33, baby, Magic and Kareem

**F Fmaj7**

I shouldn't have made a scene

**Bb A/F G7 C7b9**

But it's not easy seeing you playing for another team

**Bb A/F Gm**

No no no

[Verse 2]

**Bb A/F Gm**

When I was winnin' without you I could leave you alone

**F C/E Dm7**

Wouldn't rub it in your face

**Dbmaj7 Cm7 Bbm7**

Now that I m down when I see you around

**F C/E Dm7**

Thinkin how I can get you back (How can I get ya back?)

**Bb A/F Gm**

Thinkin maybe my best days are behind me

**F C/E Dm7**

Maybe winning and losing blinds me

**Dbmaj7 Cm7 Bbm7**

A Monday morning quarterback

**F C/E Dm7 C7b9**

Said how d you lose the only thing you had left?

[Chorus]

**F Fmaj7**

Cause my competitive streak runs deep

**Bb A/F G7 C7b9 F**

32, 33, baby, Magic and Kareem

**F Fmaj7**

I shouldn t have made a scene

**Bb A/F G7 C7b9 F**

But it s not easy seeing you playing for another team no no no

(Chromatic bass climb from E to B)

**Bb A/F Gm C7b9 F**

And what s the point of winning for myself if I have to lose to you?

**Dbmaj7 Cm7 Bm7**

(No no no no no no no)

**F C/E Dm7**

[Bridge]

**Bbmaj7 Ebsus4**

I still replay certain games in my head

**Bbmaj7 Ebsus4**

I can remember every play

**Bbmaj7 Ebsus4**

The time when we won it all

**Bbmaj7 Ebsus4 E F**

And when we gave it all away

[Chorus]

**F Fmaj7**

Cause my competitive streak runs deep

**Bb A/F G7 C7b9 F**

**F Fmaj7**

See my competitive streak runs deep

**Bb A/F Gm C7b9 F**

But what s the point of winning for myself if I have to lose to you? See my competitive streak...

**Bb**

**A/F**

**Gm**

**C7b9**

Baby, what s the point of winning for myself if I have to lose to you?

(Chromatic bass climb from E to B)

**Bb**

**A/F**

**Gm**

**C7b9**

**F**

And what s the point of winning for myself if I have to lose to you?

(Chromatic bass climb from E to B)

**Bb**

**A/F**

**Gm**

**C7b9**

**F**

What s the point of winning for myself if I have to lose to you?
