

Lullaby

Joey Moe

Hey guys, i just caught this mistake in my other tabs. I put Fm instead of C.

C

Hey now, don t you cry

Am

Baby let me dry your eyes

F

Little miss pouty lips

G

How about a smile?

C

When you feel gone

Am

I ll rock your bone

F

Baby I want you to know

G

When you want it, you can get it

Anytime that you like

C

You can have all mine

Am

And if you want it all night

F

Save your sorrows for tomorrow

G

I ll be your lullaby

C

And if you got a problem

Am

Imma put it on you

F

Save your sorrows for tomorrow

G

I ll be your lullaby

...etc. that pretty much repeats for the rest of the song.

Enjoy!
