

Hollyhood

Joey Ruckus

This is my first tab, so it may not be the best. Hope you like it! Please rate!
Note: You can switch Em and G, both sound right when you play it with the studio version.

I play it with Em and then G because I think it sounds slightly better. But it's your preference!

Standard tuning

No capo

Verse 1-

Am

Welcome to the freak show the dirty dirty west

C

Welcome to the peep show the very very best

Em

G

Step right up and see, how nasty it can be

Am

Living in the moment this girl is gonna show it

C

She's destined for disaster, director's gonna cast her

Em

G

Huh, time to change your name, and join the walk of shame.

Chorus-

Am

Work it girl go and

C

Turn your tricks

Em

G

Married men, go and get your fix

Am

In this town

C

There are no loose lips

Em

G

Everyone's gotta dark secret in

Am

Hollyhood

C

Hollyhood

Em

G

Ghetto fab never looked so good

Am

In hollyhood

C

Hollyhood

Em

Dance with the devil in

G

Hollyhood

Verse 2-

Am

You are in the city of fame and overdose

C

The picture is so pretty, the underneath is gross

Em **G**

Just another stage, a song that s overplayed

Am

But still you want to wander in this busy street

C

The sidewalk caved in wonder is rading with the seat

Em

But don t stop, don t stop and stare

G

C mon, join us if you dare

Chorus-

Am

Work it girl come and

C

Turn your tricks

Em **G**

Married men, go and get your fix

Am

In this town

C

There are no loose lips

Em **G**

Everyone s gotta dark secret

Am

In hollyhood

C

Hollyhood

Em **G**

Ghetto fab never looked so good

Am

In hollyhood

C

Hollyhood

Em

Dance with the devil in

G

Hollyhood

Bridge-

Am

And maybe

C

There might be

Em **G**
A boulevard of dreams

Am
But nothing

C
Nothing

Em **G**
Is ever as it seems

Chorus-

Am
Work it girl go and

C
Turn your tricks

Em **G**
Married men go and get your fix

Am
In this town

C
There are no loose lips

Em **G**
Everyone s gotta a dark secret in

Am
