D
It doesn't ease the mind
G
Doesn't vanish over night
A D
The match you're craving for it's waiting deep inside

Bm
I wouldn't hold my breath
D E
And this one's taking much too long
A F#m
I mean it's easier this way
A
Let me be your guide
Em F#m
Cause underneath this smiling face
G A
Buried in your eyes
Em F#m
There's a sadness coming through
G A
Reaching your disguise

Take this helping hand
Shake it I will be a friend
I guess it hurts when all is wrong but then again
You shouldn't waste your time
That it's you were wasting mine
I mean you wanted this and more
Let me make it right

Cause underneath this weary face
Buried in your eyes
There's a devil coming through

Reaching your disguise

[chorus:]

Em **F#m**
Now I m not here to fool around
G **A**
To comfort you or put you down
Em **F#m**
I am just a sad belief
G **A**
A wonder trunk for all your grief

Nothing left for me to stay
