

**No White Lies**  
**John Adams**

[Intro]

**G C G**  
**Em D/F# G**

[Verse]

**G** **C** **G**  
Remember the time, my car spun from the road  
**Em** **D/F#** **G**  
But I didn't call you, not to worry you at home  
**G** **C** **G**  
Remember the time, I put on all that weight  
**Em** **D/F#** **G**  
And you lied and told me that I looked the same

[Pre-Chorus]

**C** **G**  
These words we tell each other not to break our hearts  
**C** **D** **G** **C G**  
but please don't say you love me if the words aren't from your heart

[Chorus]

**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G C G**  
This time

[Verse]

**G** **C** **G**  
Remember the time, I put a hole in the wall  
**Em** **D/F#** **G**  
and I said I was angry at nothing at all  
**G** **C** **G**  
It wasn't quite true, it was something you said  
**Em** **D/F#** **G**  
That meant nothing to you but my heart it bled

[Chorus]

**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear

[Bridge]

**Am** **C** **G**  
This time, don't protect me, just show me all your cards  
**Am** **C** **G**  
This time, it won't affect me as much as living in the dark  
**Am** **C**  
If you can't look me in the eye, don't apologise, or cover it with lies,  
**G** **D**  
just put it on a little piece of paper in a place that I may find

[Chorus]

**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G D/F# Em D/B C**  
There'll be no white lies my dear  
**G C G**  
This time

[Verse]

**G** **C** **G**  
Do you remember me say, that we'd both be fine  
**Em D/F# G**  
and a child would come in a matter of time  
**G C G**  
It seems I was telling another white lie  
**Em D/F# G**  
The doctor told me the problem was mine

[Post-Chorus]

**C** **G**  
I told you these words, I couldn't bear to see you cry  
**C D G**  
but I promise every time I've said I love you it's been no white lie
