

**Kiss Me In The Car**

**John Berry**

[Verse]

**B**  
Remember that 65 Mustang that I bought in 74  
**E**  
I used to like to take you driving  
**B**  
and get lost on those old dirt roads  
**F#**  
And we'd pull off on the side and then I'd hold you tight  
**B**  
Let's do that tonight Come on and kiss me in the car  
**B**  
Kiss me in the car

[Chorus]

**E**  
Now we can sit out in the driveway  
**B**  
Do it the right way from the heart  
**G** **A**  
Let me take you back  
**D** **E**  
And we'll find that same old star  
N.C. **B**  
Come on and kiss me in the car  
  
Kiss me in the car

[Break]

**B**  
Now that old rusted-out Mustang, sitting up in the garage  
**E** **B**  
It seems the only time you kiss me is when I'm heading out for my job  
**F#**  
I called you to say, we need to have a date  
  
Baby it ain't too late  
**B**  
Come on and kiss me in the car  
  
Kiss me in the car, yeah

**E**  
Now we can sit out in the driveway  
**B**  
Do it the right way from the heart  
**G** **A** **D** **E**

Let me take you back, and we ll find that same old star  
N.C.

**B**

Come on and kiss me in the car

Kiss me in the car.
