Lyrics

I could be loud man, I could be silent
 I could be young man or I could be old
 I could be a gentleman, or I could be violent
 I could turn hot man or I could be cold
 I could be just like the calm before the storm boy waitin for all hell yeah to
 break loose
 I could be innocent or I could be guilty
 Doesn t mean that I won t believe in the news
 So I m singing ...

I could be rich like a wondering gypsy
 I could be poor like a fat wallet lost
 I could be the first man or I could come last
 It s not who breaks the ribbon boy it s how you get across

I could be red, blue, black or white sunset
As dark as a day boy or bright as a night
I could be the sun boy or I could be the moon
I made it from the stars boy I m shining so bright
So I m singing...

I could be asleep boy, or I could be awake
I could be alive and a be the walking dead
I could be ignorant or I could be informed
I could lead my life man or I could be lead
I could be anything I put my mind to boy all I gotta do is give myself a half a
chance
I could bring love back into my life
And share it with the world if I had some balance
