

Funky Tonight Live
John Butler Trio

main

```
-----|
---0---0---0---0---0---0---0---0---0---0---0---0---|
---0---0---0---0---0---0---0---0---0---0---0---0---|
-----3--0-----|
-----3-4-5-----3-5-----3--3-----|
--0-----run-----5--3-----|
```

the 12 string missing a G makes me think that the chords bit (back in 1999 bit)
is a
more like this

chorus

```
-----x-----|
---0---0-0---0---0-0-----|
---3---5-5---2---3-3---0--0---0--0-----|
---0---0-0---0---0-0---3--5---3--0-----|
---3---5-5---2---3-3---x-x---0--0-----|
---0---0-0---0---0-0---3--5---3--0-----|
      slide      slide      slide      P/Off
```

you know the rhythm thats just the chords for the first 1999 bit

the 2nd bit is a different but pretty much the same

2nd chorus

```
-----|
-0-----x-----x-----|
-5-----3-----0-----0-----|
-0-----3-----5-----0-----|
-5-----0-----x-----0-----|
-0-----0-----5-----0-----|
```
