(RIFF 1)

Beautiful woman, so sexy
Come shake that bottom over, over to me
Feel that one drop, feel that skank
Brother B playing that Hip Hop
It better than a, money in the bank
Lights are low, moon is high
I want you to know
That you re the brightest star in my sky and

(RIFF 1)

I m groovin slowly
With my woman
Groovin slowly
With my wo-man

(RIFF 1)

DJ play that music
All night long
Play that funky kingston
You know it s our, our favourite song
Feel that back beat
Feel that groove
Got my baby on the dancefloor
She doin all her, her favourite moves

(RIFF 2)

I want you to know girl
I want you to feel
I want to show you
That my love is real
I want you to see girl
You re the brightest star that shines
Even though there is no forever
I m gonna love you til the end of time

(RIFF 1)

I m groovin slowly
With my woman
Groovin slowly
With my wo-man
