John Butler Trio

this is a great song but this tab is definetly not perfect

capo 2 fret (everything relative to capo)

intro

```
e-----2--2-2-----2-|
B-----3-3-----3----3-|
G-----2-----2-2-----2-|
D-----0-0-----0-----0-|
A-----|
E--3(play with thumb)-0-----|
```

you can play around with that pick pattern but that is pretty much it.

verse

```
e-----2-----|
B-----|
G-----2-----|
D-----0-----|
A-----|
E--3-----0----0----0-|
```

it then starts to get louder and you start to strum these chords

```
e--2-----2--|
B--3-----3--|
G--2-----2--|
D--0-----0--|
A--0-----0--|
E--3-----0--|
```
